

FUEL TANK KTM 11 L SERBATOIO KTM 11 L

COD. 500001484 REV.4

ACERBIS PARTS

A - (1 PCS)

O.E.M ITEMS TO USE:

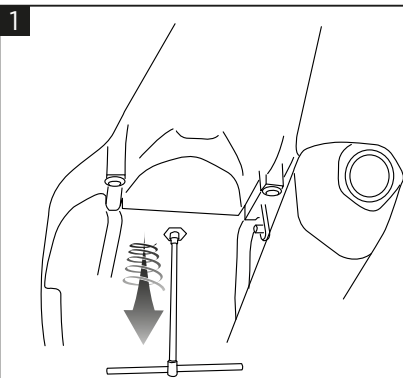

B - (1 PCS)

C - (8 PCS)

D - (1 PCS)

1
Remove the seat.
Rimuovere la sella.

2
Unscrew the tank screw (B) and remove the radiator scoops through the screws (C).
Svitare la vite serbatoio (B) e rimuovere i fianchetti tramite le viti (C).

3
Remove the fuel line fittings.
Rimuovere le utenze.

WARNING

Durante il rimontaggio suggeriamo vivamente di utilizzare un grasso anti-grippante sulle viti che entrano negli inserti in metallo.

Highly suggest to use anti-seize/grease lubricant on all bolt threads going into the tank's metal inserts when reinstalling.

WARNING!

It is **EXTREMELY IMPORTANT** that the fuel tank is properly installed. To ensure proper installation, it is **STRONGLY RECOMMENDED** that the tank is installed only by a qualified OEM licensed dealership mechanic. Improper installation could result in serious injuries or death.

If self-installed **NOTE THE FOLLOWING**: particular attention must be paid to excessive fuel line length and fuel line proximity to hot engine areas and pipes to prevent fire.

Clean tank interior thoroughly before installation. Install this fuel tank only in a well ventilated area, as gasoline fumes are extremely dangerous.

Do not start or operate the vehicle if there are any fuel leaks! Read all instructions first before beginning installation.

Acerbis recommends that installation must be done by a licensed mechanic and that only Acerbis' original parts are used during installation.

Acerbis makes no guarantees or representations, express or implied, regarding the fitment of its product for any particular purpose. Acerbis

makes no guarantees or representations, express or implied, regarding the extent to which its products protect individuals or property from

injury or death or damage.

TORQUE SPEC: 1,8FT/LB 2,5N/m

DISCLAIMER

Due to uncontrolled variables in the manufacturing process of rotational molded fuel tanks, the fuel tank may vary in size and shape by up to 7% of the manufacturer's original listed capacity.

LIBERATORIA

A causa di variabili inponderabili nel processo di stampaggio rotazionale dei serbatoi, questi possono differire in forma e dimensioni fino al 7% rispetto alla capacità dichiarata.

FOR COMPETITION USE ONLY - SOLO PER USO IN COMPETIZIONI FUORISTRADA

WARNING!

IT È ESTREMAMENTE IMPORTANTE che il serbatoio del carburante sia installato correttamente. Per garantire una corretta installazione, SI RACCOMANDA FORTEMENTE che il serbatoio venga installato solo da un meccanico qualificato di una concessionaria con licenza OEM. Un'installazione non corretta potrebbe provocare lesioni gravi o mortali. Se installato autonomamente **NOTA QUANTO SEGUE**: prestare particolare attenzione alla lunghezza eccessiva della tubazione del carburante e alla vicinanza della tubazione del carburante ad aree e tubi caldi del motore per prevenire incendi. Pulire accuratamente l'interno del serbatoio prima dell'installazione. Installare questo serbatoio del carburante solo in un'area ben ventilata, poiché i fumi della benzina sono estremamente pericolosi. Non avviare o utilizzare il veicolo in caso di perdite di carburante! Leggere tutte le istruzioni prima di iniziare l'installazione. Acerbis raccomanda che l'installazione venga eseguita da un meccanico autorizzato e che durante l'installazione vengano utilizzate solo parti originali Acerbis. Acerbis non fornisce alcuna garanzia o dichiarazione, espressa o implicita, in merito all'adattamento del suo prodotto per qualsiasi scopo particolare. Acerbis non fornisce alcuna garanzia o dichiarazione, espressa o implicita, in merito alla misura in cui i suoi prodotti proteggono individui o proprietà da lesioni, morte o danni.
