

CHAIN GUIDE FOR
ROYAL ENFIELD HY
450
298633

298633-12

FEATURES

Enhanced Durability: The Acerbis chain guide replaces the original component, offering superior impact resistance with its high-strength plastic construction.

Two-Piece Design: Composed of a body and a replaceable slide, allowing for easy maintenance without the need to disassemble the chain when replacing the slide or the guide itself.

Shock Absorption: Features a controlled elasticity structure that absorbs impacts, reducing potential damage to the chain and sprocket.
