FEATURES

The Rally Pro X-Strong is a durable injection-molded plastic composite handguard that features an anodized aluminum bar for ultimate protection. It includes an indexed steel bar-end insert that mounts solidly and will not allow the guard to rotate in a crash. The included X-Strong mount kit allows the protection to be mounted to the handlebar with plenty of room for cables and brake lines. Optional spoilers are sold separately.

BEFORE YOU BUY: Check the applications for compatibility with your motorcycle.

Standard mounting kit included

WARNING: Your motorcycle may require an additional mounting kit to be purchased separately; check compatibility before you buy
